

Expansion Restaurant & Butchery

We are proud to expand into both the restaurant and butchery space, ensuring farm-to-plate quality by supplying and serving premium products directly to consumers

Projects

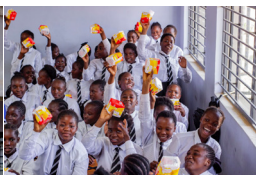

Through the WYEEFIMA Project, we distributed 3,000 tilapia fingerlings and 28 bags of feed, empowering 20 youths in aquaculture.

Corporate Social Responsibility (CSR)

We believe in giving back. From donating educational materials to schools, supporting community-led infrastructure projects, and promoting menstrual hygiene awareness, to engaging youth in agripreneurship training, our efforts are rooted in the belief that today's small acts nurture tomorrow's leaders "IMITI IKULA EMPANGA". We are committed to empowering communities through education, health, and sustainable farming initiatives.

wama Secondary School

Our Motto: Education is Empowerment

Hapitec CEO and team lead a sensitization program on menstrual hygiene and teenage pregnancy prevention.

Empowering young minds. Hapitec donates books and school supplies to support Edena Community School.

Our journey of impact begins with His Royal Highness Chief Shibuchinga building strong community partnerships from the ground up.

Hapitec provides transport services for building materials in Kanyemu's school project.

Empowering Through Employment

Hapitec is proud to contribute to local job creation, with staff members directly employed across our operations. Our business expansion continues to create new roles and skill-building opportunities for the community.

Capacity Building

At Hapitec, we believe that investing in knowledge yields long-term returns. Our team undergo meat value addition trainings to enhance the quality and diversity of our processed products. We also provide continuous in-house training for our farm staff in animal care, health treatment, and facility maintenance, ensuring high standards in livestock management and sustainable farming practices.

Consultancy Services

We offer expert farm consultancy to help pig farmers boost productivity, improve carcass weight, and adopt sustainable, cost-effective practices which is backed by training, on-site support, and innovation.

ABOUT US

Hapitec Investments Ltd is a privately owned company registered under the Zambian companies Act No. 10 Of 2017.

It deals in lucrative piggery and also engaged in other agricultural and animal production businesses, including crop farming, livestock farming, trading of agriculture products, and other related businesses.

The company is committed to sustainable agricultural practices, and employs the latest technologies to ensure high quality produce and livestock products. It also has a highly qualified and experienced team of professionals, and provides high quality agricultural products to its customers.

The company has a proven track record of providing high quality agricultural products to its customers. This is achieved through rigorous quality control processes that begin at the production stage and continue through to the packaging and distribution stages.

The company also provides training and support to its employees to ensure they have the necessary skills to carry out their duties effectively.

With plans to expand its presence, Hapitec Investments Ltd is poised to become a significant player in the agricultural sector in Zambia, Africa and beyond.

MISSION

Delivering exceptional service to our clients by supplying quality products and services.

VISION

To provide fair priced animal products and be the best in quality across the country.

OBJECTIVE

- To secure a reputation of high quality products and services backed by a high caliber of management
- To have unparalleled commitment to customer care/service
- To provide fairly priced products to all customers
- To complete and deliver all our activities on time efficiently and effectively

VALUES

- Integrity
- Commitment
- Excellence
- Innovation

Livestock Farming Excellency

Hapitec Investments Ltd has been proudly recognized for its outstanding contributions to pig farming, winning the prestigious CAMINEX Awards and best Livestock Excellence Exhibit for the 2024 Agricoop Awards' Pig Farmer of the Year. These honors reflect our commitment to excellence in livestock management and production.

Our Breeds

We continue to invest in superior and improved genetics to meet today's farming demands:

- Pietrain
- TN 70
- Camborough
- Large White × Camborough

Expansion: Chicken & Fish Ponds

As part of our ongoing expansion, Hapitec has introduced both chicken poultry and fish ponds to strengthen our integrated farming model. With over 1,500+ chickens already stocked and fish farming infrastructure underway, we are creating a more resilient and diverse agribusiness.
